Technical data sheet

LightMan START PLUS
Lightweight wheelchair

Key features & benefits:

- LightMan START PLUS wheelchair is designed for independent or assisted transport of users with temporary or long-term mobility difficulties.
- Can be self-propelled using rear push rims or pushed by an attendant.
- Attendant drum brakes provide controlled slowing, stopping and parking support, especially when moving on slopes or longer distances.
- Anti-tip wheels improve stability and help reduce the risk of backward tipping.
- Strong aluminium frame keeps the wheelchair lightweight, easy to handle and suitable for everyday use.
- Crossbar folding mechanism allows the wheelchair to be folded easily for storage and transport.
- Flip-up armrests and swing-away, removable legrests make transfers easier and improve user comfort.
- Comfort-adjustable backrest with Velcro straps allows the back support to be adapted for better sitting comfort

Product attributes:

For self-propelled and assisted use

For nursing

Outdoor & indoor use

Color range:

Black Silver
