

ANGO

2-wheel handcart with seat

Key features & benefits:

- ANGO is a lightweight 2-wheel handcart with seat designed to support users with reduced walking ability for daily indoor use and short outdoor walks on smooth surfaces.
- 100 kg maximum safe load with a product weight of only 5.7 kg for easier handling and everyday use.
- Height-adjustable handles provide an overall height range of 74.5 - 95 cm, allowing the handcart to be adapted to different users.
- Two 15 cm front wheels support smooth forward movement, while the rear legs with rubber tips provide stable contact with the ground.
- Integrated seat provides a convenient resting place when required.
- Foldable frame allows the handcart to be folded for easier transport and storage.
- Simple steel-frame construction provides practical and reliable everyday walking support.
