

TRIGO

3-wheel rollator with bag

Key features & benefits:

- TRIGO is a 3-wheel rollator designed to support users with restricted walking ability during everyday indoor and outdoor mobility.
- Three-wheel design with a freely rotating front wheel provides good manoeuvrability around corners and in narrow spaces.
- Foldable frame allows the rollator to be folded for easier transport and storage.
- Height-adjustable handles allow the rollator to be adapted to different users and support a comfortable walking position.
- Integrated hand-operated brakes provide controlled slowing and stopping, with a parking function for securing the rollator when stationary.
- Supplied with a metal basket, plastic tray and bag, providing practical storage for personal belongings and everyday items.

Product attributes:

For assisted mobility

Outdoor & indoor use

Steel frame
