

TRIKIS / TRIKIS HD | Triangle stool

MAIN FEATURES

- The Triangle Stool allows increased independence during the shower stages of daily personal hygiene, reducing muscle fatigue due to standing position as well as slipping and injuries risks.
- The non slip rubber feet ensure grip with the floor, and the height adjustable legs allow the user to change easily the total height according to their requirements.
- the shower stool with customised height can be used with different setting length between the front and rear legs. In particular, the front legs can be lower than the rear ones: this allows the user to keep more correct postures while taking a shower, as well as to facilitate the standing and sitting procedures.
- Due to its flexibility, the shower stool can be positioned even on bumpy and irregular floor, like those typical of many shower trays.

Recommendations for use:

For nursing

For indoors

Color:

White

TRIKIS

TRIKIS HD

Maintenance:

Periodically check that fixing fittings conform to initial mounting. Clean with water and non-aggressive detergent. Do not use abrasive or corrosive products.

Warranty:

The device has a 24-month warranty from the date of purchase.
